The School of Education, Health and Human Performance (EHHP) is requesting your participation in a survey regarding your experience with cooperating teacher(s) during clinical practice. The purpose of the survey is to measure the strengths and areas of concerns of cooperating teachers. Your feedback will be used continuous program improvement and determining future placements.

Cooperating Teachers will not have access to your feedback. Your responses will be kept confidential.

Strengths of the cooperating teacher:

Areas of concern of the cooperating teacher:

Should this cooperating teacher be assigned an intern again?
- Yes
- Maybe
- No

If 'Maybe' or 'No' is designated, please explain:

Additional Commendations or Comments:
